Foster a healthy student body with The OrganWise Guys (OWG). OWG is a whole child approach to nutrition and physical activity spanning PreK to Grade 5 that helps support both the academic and social-emotional needs of your students!

We are thrilled to have partnered with **Carolinas Alliance 4 Innovation (CA4I)** to offer special discounts! With this contracted pricing of only **\$2.50 per student** (less than the cost of a school lunch), The OrganWise Guys digital platform provides the following and much more.

- All content correlated to your state-specific standards in math, science, language arts and health/PE as well as national STEM and Head Start standards
- Documented literacy improvements
- Ideal for Media Specialists, Nurses, Counselors and PE/Health Teachers who see all students
- Easy to use – no prep work for teachers
- Year-round nutrition education (parent newsletters, activity sheets, clip art and more)
- SEL (Social-Emotional Learning) components to help with student's overall well-being
- Content available in English and Spanish
- Virtual (free of charge) or in-person trainings to quickly onboard teachers

Let us show you how to cost-effectively empower your students to be healthy and smart from the inside out. Schedule a quick call to learn more today!
